

Love On the Rocks

Neil Diamond

LOVE ON THE ROCKS

Neil Diamond

Love on the rocks

Ain't no surprise

Pour me a drink

And I'll tell you some lies

Got nothin' to lose

So you just sing the blues

All the time

Gave you my heart

Gave you my soul

You left me alone here

With nothing to hold

Yesterday's gone

Now all I want is a smile

First, they say they want you

How they really need you

Suddenly you find you're out there

Walking in a storm

When they know they have you Then they really have you Nothing you can do or say

You've got to leave,

Just get away

We all know the song You need what you need

You can say what you want

Not much you can do

When the feeling is gone

May be blue skies above

But it's cold

When you love's on the rocks

First, they say they want you

How they really need you

Suddenly you find you're out there

Walking in a storm

When they know they have you

Then they really have you

Nothing you can do or say

You've got to leave

Just get away

We all know the song

Love on the rocks

Ain't no big surprise

Pour me a drink

And I'll tell you my lies
Yesterday's gone
And now all I want is a smile
