

# Joyride (Single Version)

Roxette

Hello, you fool, I love you  
C'mon join the joyride  
I hit the road out of nowhere I had to jump in my car  
And be a rider in a love game Following the stars  
Don't need no book of wisdom  
I get no money talk at all  
She has a train goin' downtown  
She's got a club on the moon  
But she's tellin' all her secrets In a wonderful balloon  
She's the heart of the fun fair  
She's got me whistlin' her private tune  
And it all begins where it ends  
And she's all mine, my magic friend  
She says, "Hello, you fool, I love you"  
C'mon join the joyride, join the joyride  
She's a flower, I can paint her She's a child of the sun  
We're a part of this together Could never turn around and run  
Don't need no fortune teller  
To know where my lucky love belongs, oh no  
'Cos it all begins again when it ends  
(Yeah)  
And we're all magic friends (magic friends, magic friends) She says, "Hello, you fool, I love  
you"  
C'mon join the joyride, join the joyride  
She says, "Hello, you fool, I love you"  
C'mon join the joyride, be a joyride girl I'll take you on a sky ride  
A feelin' like you're spellbound  
Sunshine is a lady  
Who rocks you like a baby  
She says, "Hello, you fool, I love you"  
C'mon join the joyride, join the joyride  
Hello, you fool, I love you  
C'mon join the joyride, join the joyride  
Hello, hello, you fool, I love you  
C'mon, c'mon join the joyride, be a joyride girl
