## **Joyride (Single Version)**

## **Roxette**

Hello, you fool, I love you C'mon join the joyride I hit the road out of nowhereI had to jump in my car And be a rider in a love gameFollowing the stars Don't need no book of wisdom I get no money talk at all She has a train goin' downtown She's got a club on the moon But she's tellin' all her secretsIn a wonderful balloon She's the heart of the fun fair She's got me whistlin' her private tune And it all begins where it ends And she's all mine, my magic friend She says, "Hello, you fool, I love you" C'mon join the joyride, join the joyride She's a flower, I can paint herShe's a child of the sun We're a part of this togetherCould never turn around and run Don't need no fortune teller To know where my lucky love belongs, oh no

'Cos it all begins again when it ends (Yeah)

And we're all magic friends (magic friends, magic friends)She says, "Hello, you fool, I love you"

> C'mon join the joyride, join the joyride She says, "Hello, you fool, I love you" C'mon join the joyride, be a joyride girlI'll take you on a sky ride A feelin' like you're spellbound Sunshine is a lady

Who rocks you like a baby She says, "Hello, you fool, I love you" C'mon join the joyride, join the joyride Hello, you fool, I love you C'mon join the joyride, join the joyride Hello, hello, you fool, I love you

C'mon, c'mon join the joyride, be a joyride girl Roxette
