

Maxine's Interlude

John Legend

Oh, oh, get back soon
Where are you now?
Oh, get back soonMaxine
Oh where are you now?
Maxine

Oh get back soonWhere are you now?
Where are you now?Sometimes I wonder why she wouldn't stay
What I should have changed
Sometimes I wonder why it's been so long
What did I do wrong
Maxine, Maxine
Oh, where are you now?
Oh, where are you now?
Maxine
