

# Maxine's Interlude

John Legend

Oh, oh, get back soon  
Where are you now?  
Oh, get back soonMaxine  
Oh where are you now?  
Maxine  
Oh get back soonWhere are you now?  
Where are you now?Sometimes I wonder why she wouldn't stay  
What I should have changed  
Sometimes I wonder why it's been so long  
What did I do wrong  
Maxine, Maxine  
Oh, where are you now?  
Oh, where are you now?  
Maxine
