Drink In My Hand

Eric Church

Early Monday morning, til Friday five Man I work, work, work but I don't climb, climb, climb Boss man can shove that overtime up his can All I want to do is put a drink in my handTo fill it up, or throw it down I got a 40 hour week worth of trouble to drown No need to complicate it, I'm a simple man All you got to do is put a drink in my handYea the parking lot is muddy, can't get to the door I'll take my jacked up drop er' down in 4x4 Chill down a long neck, one with the band All you got to do is put a drink in my hand To fill it up, or throw it down I'm about to tear a new one in this old town 5, 4, 3, 2, 1 I'm a rocket man All you got to do is put a drink in my handMake me want to go ouhhh ouh ouhhh, when you dance like that you got that little tattoo playing peek-a-boo on your back Yea if you want to impress me, baby here's my plan All you got to do is put a drink in my handYea fill it up, or throw it down When you drive me home, take the long way around You be my Lois Lane, I'll be your superman All you got to do is put a drink in my handMy head Monday morning that alarm clock sings it goes bang, bang, bang, while it ring, ring, rings Yea I'll let it all roll, if you wanna rock again All you got to do is put a drink in my hand Yea fill it up, or throw it down I got a little hungover, still hanging around Yea that hair of a dog is howlin' "hey there man" All you got to do is put a drink in my hand That hair of a dog is howlin' "hey there man" All you got to do is put a drink in my hand Haaaaouuhhhhh Yeah!
