

# Pink and Black

Robert Plant

Ooh, ho-hold me, Ooh, hold me I know I used to run around  
Now I'm swear I've settled down  
May-maybe what they say is true  
All those things I've done to you People say that I don't change  
The song still remains the same  
Oh, but I got what your needing so  
Oh, come on hold me tight and don't let go Oh no, don't start saying goodbye to me  
Don't start saying, oh no don't start saying goodbye to me I only heard a thing or two ...  
I only hurt when I'm around  
Oh that's just I'm feeling down  
At night I ... I do I ... up to you ...  
Oh come on, hold me tight and don't let go  
Oh no, don't start saying goodbye breaking my heart  
Oh no don't start saying, goodbye breaking my heart Oh, ho-ho-hold me When I tell you that I  
know that I know  
When I tell you that I care  
When I tell you that I love you  
When I tell you 'bout it anywhere When I tell you 'bout what it could be like oh  
when I tell you that, when I tell you that  
When I tell you that, when I tell you that  
When I tell you that, when I tell you that  
When I tell you 'bout what could be like  
Oh, when I tell you that, you know you really wanna know At night ... What you got is what  
you need Ah .  
But I got what your needing so  
Come on, hold me tight and don't let go  
Oh no, don't start saying goodbye breaking my heart  
Oh no, don't start saying goodbye breaking my heart  
Oh no, don't start saying good-bye don't start saying  
Oh no, don't start saying
