

# Can't Stop Lovin' You

Van Halen

Hah! There's a time and place for everything, for everyone  
We can push with all our might, but nothin's gonna come

Oh no, nothin's gonna change

And if I asked you not to try

Oh, could you let be? I wanna hold you and say

We can't throw this all away

Tell me you won't go, you won't go

You have to hear me say I can't stop lovin' you

And no matter what I say or do

You know my heart is true, ohh

I can't stop loving you

You change your friends, your place in life, you can change your mind

We can change the things we say and do anytime

Oh no, but I think you'll find

That when you look inside your heart

Oh baby, I'll be there, yeah! Hold on

I'm holding on

Baby, just come on, come on, come on

I just wanna hear you say I can't stop lovin' you

And no matter what you say or do

You know my heart is true, ohh

I can't stop lovin' you Oh, I'm so twisted and tied

And all I remember

Was how hard we tried

Only to surrender

And when it's over

I know how it's gonna be

And true love will never die

Ohh, not fade away

And I can't stop lovin' you

No matter what I say or do

You know my heart is true, ohh

I can't stop lovin' you

And I know what I got to do

Hey Ray, what you said is true, ohh

I can't stop lovin' you, ohh

Ohh, I can't stop lovin' you
