## **Keep Holding On**

## **Avril Lavigne**

You're not alone

Together we stand

I'll be by your side

You know I'll take your hand

When it gets cold

And it feels like the end

There's no place to go

You know I won't give in

No, I won't give in

Keep holding on

Cause you know we'll make it through

We'll make it through

Just stay strong

Cause you know I'm here for you

I'm here for you

There's nothing you can say

Nothing you can do

There's no other way when it comes to the truth

So, keep holding on

Cause you know we'll make it throughWe'll make it throughSo far away

I wish you were here

Before it's too late

This could all disappear

Before the door's closed

And it comes to an end

With you by my side

I will fight and defendI'll fight and defend

Yeah, yeah

Keep holding on

Cause you know we'll make it through

We'll make it through

Just stay strong

Cause you know I'm here for you

I'm here for you

There's nothing you can sayNothing you can do

There's no other way when it comes to the truth

So, Keep holding on Cause you know we'll make it through

We'll make it through

Hear me when I say

When I say I believe.

Nothing's gonna changeNothing's gonna change destiny

Whatever's meant to be

Will work out perfectly Yeah, yeah, yeahKeep holding on Cause you know we'll make it through We'll make it through Just stay strong Cause you know I'm here for you I'm here for you There's nothing you can sayNothing you can do There's no other way when it comes to the truth So, Keep holding on Cause you know we'll make it through We'll make it through Keep holding on (Keep holding on) There's nothing you can say Nothing you can do There's no other way when it comes to the truth So, Keep holding on Cause you know we'll make it through We'll make it through Song Discussions is protected by U.S. Patent 9401941.
