

# All Nightmare Long

## Metallica

OneTwo. . .

Luck

Runs

Out

Crawl from the wreckage one more timeHorrific memory twists the mind

Dark, ruttet, cold and hard to turn

Path of destruction,

Feel it burn

Still life...

Incarnation

Still life...

Infamy

Hallucination

Heresy

Still you run,

What's to come?

What's to be?

. . .

'Cause we hunt you down without mercyHunt you down all nightmare longFeel us breathe  
upon your faceFeel us shift, every move we traceHunt you down without mercyHunt you down

all nightmare long

Yeah

Luck

Runs

And you crawl back in... but your luck runs out

. . .

One

Two

. . .

LuckRuns

Out

The light that is not light is here  
To flush you out with your own fear

You hide,

You hide,

But will be found

Release your grip without a sound

Still life...

Immolation

Still life...

Infamy

Hallucination

Heresy  
Still you run,  
What's to come?  
What's to be?

...

'Cause we hunt you down without mercy  
Hunt you down all nightmare long  
Feel us breathe upon your face  
Feel us shift, every move we trace  
Hunt you down without mercy  
Hunt you down all nightmare long

Yeah

Luck

Runs

And you crawl back in...  
But your luck runs out

...

One

Two

Three

Four

...

Then you crawl back in  
Into your obsession  
Never to return  
This is your confession

...

Hunt you down without mercy  
Hunt you down all nightmare long  
Feel us breathe upon your face  
Feel us shift, every move we trace  
Hunt you down without mercy  
Hunt you down all nightmare long

Yeah

Luck

Runs

And you crawl back in...  
But your luck runs out  
Your luck runs out!!!

...
