

# Venus

## Lady Gaga

Rocket number nine, take off to the planet, to the planet Venus  
Aphrodite lady, seashell bikini, garden panty, Venus  
Let's blast off to a new dimension, in your bedroom, Venus  
Aphrodite lady, seashell bikini, get with me, Venus I can't help the way I'm feeling  
Goddess of love, please take me to your leader  
I can't help, I keep on dancing  
Goddess of love, Goddess of love Take me to your planet (to the planet)  
Take me to your planet (to the planet)  
Take me to your leader (to the planet)  
Your leader, your leader (to the planet) Take me to your planet (to the planet)  
Take me to your planet (to the planet)  
Take me to your Venus (to the planet)  
Your Venus, your Venus (to the planet)  
When you touch me, I die just a little inside  
I wonder if this could be love, this could be love  
'Cause you're out of this world, galaxy, space and time  
I wonder if this could be love (Venus) Have an oyster, baby, it's aphrod-i-sy  
Act sleazy, Venus  
Worship to the land, a girl from the planet  
To the planet (to the planet) I can't help the way I'm feeling  
Goddess of love, please take me to your leader  
I can't help, I keep on dancing  
Goddess of love, Goddess of love Take me to your planet (to the planet)  
Take me to your planet (to the planet)  
Take me to your leader (to the planet)  
Your leader, your leader (to the planet)  
Take me to your planet (to the planet)  
Take me to your planet (to the planet)  
Take me to your Venus (to the planet)  
Your Venus, your Venus (to the planet) When you touch me, I die just a little inside  
I wonder if this could be love, this could be love  
'Cause you're out of this world, galaxy, space and time  
I wonder if this could be love, this could be love Wonder if this could be love, this could be...  
Goddess of love  
Wonder if this could be love, Venus Neptune, go  
Now serve, Pluto  
Saturn, Jupiter, Mercury, Venus, uh ha  
Uranus, don't you know my ass is famous?  
Mars, now serve for the gods  
Earth, serve for the stars When you touch me, I die just a little inside  
I wonder if this could be love, this could be love  
'Cause you're out of this world, galaxy, space and time

I wonder if this could be love, this could be love Wonder if this could be love, this could be...  
Goddess of love  
Wonder if this could be love  
Venus
