Some Like It Hot

Marilyn Monroe

I got a fever An inflammation That's what I got You turn the heat on me Some like it hotLook what you started A conflagration Baby, that's what Don't let the flame go out Some like it hotOh baby, I'm from that old school I'll play it real cool But when you kissed me I lit up like a four alarm fire Call out the engine Ring up the station I'm on the spot Love burns you up the most Like it or not But baby, I like it hot
