

# Glad You're Here

Macy Gray

I'm so happy you're here  
It's been a long time since I've had you near, my dear  
Come on inside, get away from the cold wind that's blowin'  
Gonna let you know that I'm so glad you're here  
I'm worried about ya  
I'm so glad you're here  
After all we've been through  
I'm so glad you're here  
It's good to see ya, baby  
I'm so glad you're here  
Leave your troubles all out  
Yeah, they come to mind every time I see you around town  
Be frontin' like ya got it all together but I'm no better  
Baby, it's you and I forever I'm so glad you're here  
I'm worried about ya  
I'm so glad you're here  
And after all we've been through  
I'm so glad you're here  
Yeah, yeah, yeah, it's good to see you  
I'm so glad you're here Woah love, ain't nothin' changed  
We're still hopeless, together, woah  
I wish you go away for I'm doomed if you stay  
It's okay, I need you anyway, it's okay, yeah, yeah  
That's what our love is saying  
Well it's okay, aah na na  
I need you, anyway  
And I'm so happy you're here I'm so glad you're here  
I'm so glad you're here  
I'm so glad you're here
