

Tied Down

Marissa

I ain't tryin' to be tied to no nigga
I ain't tryin to be tied down to no nigga
I just wanna do what I want without feeling I'm wrong
I ain't tryna answer to nobody, nobody no-no
I ain't tryin' to be tied with no nigga I'm not looking for a, for a lover
I'm just looking for a friend
Somebody that knows what it is
Cause I don't want no drama
Bout missed calls when I don't answer
So even if I want you right now
I'll wait cause I can't be tied down
I wanna go out with my home girls
Without looking over my shoulder
You can say what you wanna
Maybe I'll be ready when I'm older
Right now I'm like no sir
Being in love, no supposed to
Feel like I'm locked down
Just wanna have fun now
You know what I'm talkin' bout I ain't tryin' to be tied to no nigga
I ain't tryin to be tied down to no nigga
I just wanna do what I want without feeling I'm wrong
I ain't tryna answer to nobody, nobody no-no
I ain't tryin' to be tied with no nigga
Boy, we can chill if you wanna
Do a little something
If I'm fuckin' with you you can call me bae
But boy that shit don't mean nothin'
I'mma go as I please
Keep on doing what I wanna do for me I wanna go out with my home girls
Without looking over my shoulder
You can say what you wanna
Maybe I'll be ready when I'm older
Right now I'm like no sir
Being in love, no supposed to
Feel like I'm locked down
Just wanna have fun now
You know what I'm talkin' bout I ain't tryin' to be tied to no nigga
I ain't tryin to be tied down to no nigga
I just wanna do what I want without feeling I'm wrong
I ain't tryna answer to nobody, nobody no-no

I ain't tryin' to be tied with no nigga
