

# Word Is Bond (feat. Slim 400)

YG

If I told you I was back, nigga that's what it is  
I run the left side of the map and that's what it is  
My homie got that pack and that's what it is  
If you ain't trying spend that hot box then that's what it is  
If you don't want to get that money and act like a bitch  
I'm the one get the money and pass it out to my clique  
Cause everybody know I'm rich  
Everybody everybody everybody know I'm rich  
Put the squad on my back (squad)  
Google maps will tell yo ass where it's at  
Backseat full of bitches  
You can say a nigga riding with that mack  
Oh, life still crazy  
New born baby, niggas I don't know still hate me  
Facts never tripping  
Personal message to them niggas, I'm shit on ya vicious  
My word is bond  
My word is bond, my word is bond  
My word is bond  
My word is bond, my word is bond  
My word my word  
My word my word, my word my word  
My word my word

My word is bond If I said I got it, I did that  
Said we gon profit, I did that  
My career you wanna follow cause I did that  
Your favorite top model, I done did that  
Had to put the black gates where I live at  
Shooters on deck try to pull up you gon' get jacked  
Mind of a maniac  
Since I got popped, I purchased about 50 straps  
If I mention yo name, I probably put you on  
So I ain't talkin' bout no orders 'til the contract closed  
Lookin' in the mirror like am I wrong?  
Nah its business nigga don't take it personal  
They gave me a game to my money  
So when it get ugly shit ain't funny  
Promise I'mma make it, hate me or love me  
And I promise I'mma stay the same with this money  
My word is bond
