

# I Will Always Love You (feat. Dolly Parton)

Michael Bolton

If I should stay  
I would only be in your way  
So I'll go, but I know  
I'll think of you each step of the way  
And I will always love you  
I will always love you Bitter-sweet memories  
That's all I am taking with me  
Goodbye, please, now don't you cry  
We both know that I'm not  
What you need  
But I will always love you  
I will always love you  
Oh, I will always, always love you  
Always love you, love you  
I will always love you I hope life, treats you real kind  
I hope you have all  
You ever dreamed of  
Oh, I do wish you joy  
I wish you love  
And happiness But above all of this  
I wish you  
I wish you  
Love  
But I  
I will always, always love you  
Will I, will always love you  
I will always love  
Will always love you  
I will always love you
