

Unbreakable (Club Edit) [feat. Sam Martin]

Dirty South

Sun guide your home if you let it...

(Drop)

The secret that you know

But you don't know how to say it

Surrounded by the wall

And there's nothing left for breaking

The sun guide your home if you let it

Far, far away if you let it

But i'll take you there don't forget it

Now we feel unbreakable

All my wicked days are gone

Where we doing?

We don't know

Like tornados we will grow

You will learn to know

You, beautiful, beautiful

You will learn to know

You, beautiful, beautiful
