

# Otherwise

## Morcheeba

They wanted me here just to show you my face  
But when it comes to the crunch, I just hide in disgrace  
You were calling me mad but I know you're the same  
'Cause you gotta be seen to be playing the game  
Yes, you gotta be seen to be playing the game  
Yes, we gotta be seen to be playing the game  
It ain't gonna hurt now if you open up your eyes  
You're making it worse now every time you criticize  
I'm under your curse now, but I call it compromise  
I thought that you were wise, but you were otherwise  
A specimen like you I would love to obtain  
I asked a tedious guy if he'd tell me your name  
I'd love to impress you with a back somersault  
I wanna take up your love, but it's locked in a vault  
I wanna take up your love, but it's locked in a vault  
It ain't gonna hurt now if you open up your eyes  
You're making it worse now every time you criticize  
I'm under your curse now, but I call it compromise  
I thought that you were wise, but you were otherwise  
When I open my mouth, I'm so brutally honest  
And I can't expect that kind of love from you  
When you open your mouth, your teeth are beautifully polished  
And I can't extract the pain you're going through  
No, I can't explain the pain you're going through  
It ain't gonna hurt now if you open up your eyes  
You're making it worse now every time you womanize  
I'm under your curse now, but I call it compromise  
I'm under your curse, oh, oh  
It ain't gonna hurt now if you open up your eyes  
You're making it worse now every time you criticize  
I'm under your curse now, but I call it compromise  
I thought that you were wise, but you were otherwise
