## **Another Chance**

## **Roger Sanchez**

If I had another chance tonight I'd try to tell you that the things we had were right

If I had another chance tonight

I'd try to tell you that the things we had were rightIf I had another chance tonight

If I had another chance tonight

If I had another chance tonight

I'd try to tell you that the things we had were rightIf I had another chance tonight I'd try to tell you that the things we had were rightIf I had another chance tonight

I'd try to tell you that the things we had were right

If I had another chance tonight

I'd try to tell you that the things we had were right

If I had another chance tonight
