

Wings

Gary Clark Jr.

(Why don't you meet me in the wings 'cause I
Why don't you meet me in the wings 'cause I
Why don't you meet me in the wings 'cause I
Don't wanna be alone) New cars, new clothes, bankroll, new stones
Everyone knows so...

We got issues, and people get misused
And girl I miss you, but I know we'll get through
What we go through, everyone knows
So... Why don't you meet me in the wings 'cause I
Why don't you meet me in the wings 'cause I
Why don't you meet me in the wings 'cause I
Don't wanna be on this lay

Oooh Oooh (Why)
Oooh Oooh (Why) Red carpets (hey), red roses (hey), put on poses 'cause here comes the
Joneses (Joneses)

Everyone knows so Why don't you meet me in the wings 'cause I
Why don't you meet me in the wings 'cause I
Why don't you meet me in the wings 'cause I
Don't wanna be on this lay Everyone knows
(Oooh, everyone knows)

Everyone knows
(Oooh, everyone knows)
Everyone knows
(Everyone knows)
Everyone knows

Everyone's chasing new faces
Yeah, yeah

(Why, why, why, why, why)
Why don't you meet me in the wings 'cause I
Why don't you meet me in the wings 'cause I
Why don't you meet me in the wings 'cause I
Don't wanna be on this lay Why don't you meet me in the wings 'cause I
Why don't you meet me in the wings 'cause I
Why don't you meet me in the wings 'cause I
Don't wanna be on this lay
