

# Fuzzy

## Grant Lee Buffalo

Bring me home  
To this house of many days  
Just lay me on the floor  
Hard and cool as slate  
You know i love it more and more  
Than before i ran away  
It triggers of so many hurts  
Hurtful words and broken plates I've been lied to  
Now i'm fuzzy  
I've been lied to All and all  
The world is small enough for both of us  
To meet upon the interstate  
Waiting on a train  
And just when those big arms lift up  
Fall in love with no time to say it  
And i would have liked to  
Now i'm fuzzy  
I would have liked to  
Now i'm fuzzy  
Fuzzy now Here we are In our car  
Driving down the street  
We're looking for a place to stop  
Have a bite to eat  
We hunger for a bit of faith  
To replace the fear  
We water like a dead bouquet  
Does no good does it dear  
And i've been lied to  
Now i'm fuzzy  
We've been lied to  
Now we're fuzzy  
Fuzzy now  
Lied to.
