

Underground

Bassnectar & G Jones

I'mma stay in the underground
I'mma stay in the underground
 This is a champion song
I'mma stay in the underground
I'mma, I'mma, I'mma stay in the underground
 This is a champion song
I'mma stay in the underground
 Underground
 This is a champion song
I'mma stay in the underground, ground, ground
 Underground
I'mma stay in the underground, ground, ground, ground
