

# Better Man

## Pearl Jam

Waitin', watchin' the clock  
It's four o'clock, it's got to stop  
Tell him, take no more... she practices her speech  
As he opens the door, she rolls overPretends to sleep as he looks her over  
She lies and says she's in love with him, can't find a better man  
She dreams in color, she dreams in red, can't find a better man  
Can't find a better man, can't find a better manOh  
Talkin' to herself, there's no one else who needs to know  
She tells herself, oh  
Memories back when she was bold and strong, and waiting for the world to come along  
Swears she knew it, now she swears he's gone  
She lies and says she's in love with him, can't find a better man  
She dreams in color, she dreams in red, can't find a better man  
She lies and says she still loves him, can't find a better man  
She dreams in color, she dreams in red, can't find a better man  
Can't find a better man, can't find a better man  
Yeah  
She loved him, yeah, she don't want to leave this way  
She feeds him, yeah, that's why she'll be back againCan't find a better man, can't find a better  
man, can't find a better man, can't find a better man
