Better Man

Pearl Jam

Waitin', watchin' the clock It's four o'clock, it's got to stop Tell him, take no more... she practices her speech As he opens the door, she rolls overPretends to sleep as he looks her over She lies and says she's in love with him, can't find a better man She dreams in color, she dreams in red, can't find a better man Can't find a better man, can't find a better manOh Talkin' to herself, there's no one else who needs to know She tells herself, oh Memories back when she was bold and strong, and waiting for the world to come along Swears she knew it, now she swears he's gone She lies and says she's in love with him, can't find a better man She dreams in color, she dreams in red, can't find a better man She lies and says she still loves him, can't find a better man She dreams in color, she dreams in red, can't find a better man Can't find a better man. can't find a better man Yeah She loved him, yeah, she don't want to leave this way She feeds him, yeah, that's why she'll be back againCan't find a better man, can't find a better man, can't find a better man, can't find a better man
