

Never Knew Love Like This Before

Stephanie Mills

I never knew love like this before
Now I'm lonely never more
Since you came into my life You are my love light, this I know
And I'll never let you go
You my all, you're part of me Once I was lost and now I'm found
Then you turned my world around
When I need you, I call your nameâ? Cause I never knew love like this before
Opened my eyes
â? Cause I never knew love like this before
What a surpriseâ? Cause I never knew love like this before
This feeling's so deep inside of me
Such a tender fantasy
You're the one I'm living for You are my sunlight and my rain
And time could never change
What we share forever more, ooh I never knew love like this before
Now I'm lonely never more
Since you came into my lifeâ? Cause I never knew love like this before
Opened my eyes
â? Cause I never knew love like this before
What a surpriseâ? Cause I never knew love like this before You are my love light, this I know
And I'll never let you go
You my all, you're part of me
Once I was lost and now I'm found
Then you turned my world around
When I need you, I call your nameâ? Cause I never knew love like this before
Opened my eyes
â? Cause I never knew love like this before
What a surpriseâ? Cause I never knew love like this before
Inside of me
I never (Never) knew love like this before
Opened my eyes Never (Never), never (Never)
Never knew love like this (I never knew, I never knew I never)
Never (Never), never (Never)
Never knew love like this (I never knew, I never knew I never knew) Never (Never), never
(Never)
Never knew love like this (I never knew)
Never (Never knew), never (Never)
Never knew love like this (I never knew) Never (Never knew), never (Never)
Never knew love like this (I never knew, I never knew I never knew)
Never (I never knew, I never knew), never (I never)
Never knew love like this (Never knew) Never (Never knew), never (Never)
Never knew love like this (Opened my eyes)

Never (What a surprise)
