

# Still My Baby (feat. Omarion)

## Wolfgang Gartner

How was I supposed to know that you wasn't happy  
You just smiled  
Thought you only did what I asked of you  
agreed with my ways  
That's what I thought Your eyes deceive me  
you lied  
completely  
when I came  
let's go somewhere inside i feel like it's my fault But you said  
You don't get the point  
When I say no  
I don't know why you won't let me go  
But I said  
Baby, you got me acting crazy  
But you can't really blame me  
cannot change me  
cuz girl you still my baby  
my baby  
still my yeah This is the part where I lose control  
like script love  
baby gotta keep her, oh  
gotta keep her, oh oh, oh, oh  
(One more time right there)  
(one more time)  
(alright)  
(yo)  
But I said  
Baby, you got me acting crazy  
But you can't really blame me  
cannot change me  
cuz girl you still my baby  
my baby  
still my yeah  
You still don't get that boy  
When I say no  
I don't know why you won't let me go
