

Are You Ready?

Abraham Mateo

Feel so alive
I'm lost in your eyes, in your eyes Play sweet love songs
This all night long, all night long
Are you ready for a big day, day?
Am I ready now to hear you scream my name?
Are you ready for a new day, new day? You got me going crazy so crazy tonight,
Hey!
Doo doo doo doo... Are you ready for a new day?
You got me going crazy so crazy tonight,
Hey!
Heart, skips a beat,
So hard to breathe,
so hard to breathe
So, much fun for you and me
Turn up the bass,
Turn up the bass
Are you ready for a big day, day?
Am I ready now to hear you scream my name?
Are you ready for a new day, new day?
You got me going crazy so crazy tonight, Hey!
Doo doo doo doo...
Are you ready for a new day?
You got me going crazy so crazy tonight,
Hey!
Runaway, runaway
I'm with you
Runaway, no feel
Break away, Break away
I'm with you
Break away, no feel
Are you ready for a big day, day?
Am I ready now to hear you scream my name?
Are you ready for a new day, new day?
Yeah...
Are you ready for a big day, day?
Am I ready now to hear you scream my name?
Are you ready for a new day, new day?
You got me going crazy so crazy tonight,
Hey!
Doo doo doo doo...
Are you ready for a new day?
You got me going crazy so crazy tonight,

Hey!
Feel so alive
