## **Brain**

## **Banks**

But it's all the same I could have foreseen That you would act like you are Oh, so cool, you seem Blending with that scene Wearing what you think is hardI can see you struggling Boy, don't hurt your brain Thinking what you're gonna say 'Cause everything's a game Always trying to calculate Trying to look smart but not too smart To threaten anything they say But it's all the same I could have foreseen That you would act like you are Oh, so cool you seem Blending with that scene Wearing what you think is hard I can see you struggling Boy, don't hurt your brain Thinking what you're gonna say 'Cause everything's a game Always trying to calculate Trying to look smart but not too smart To threaten everything they say Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
