

# Sick Boy

[MxPx](#)

Sick Boy in his faded blue jeans - Sick Boy  
black leather jacket seen - Sick Boy  
always in trouble with the law  
don't ya know? owayo - Sick Boy  
he carries a switchblade knife - Sick Boy  
likes to get into fights - Sick Boy  
he'll go drinkin' with the boys  
all night long. owayo - Sick Boy  
naa naa naa naa - Sick Boy  
owayo - Sick Boy  
naa naa naa naa - Sick Boy  
owayo - Sick Boy  
he rides a big motor bike - Sick Boy  
he combs his hair up just right - Sick Boy  
with tatoos up and down his arms  
don't ya know? owayo - Sick Boy  
he's got a girl wrapped around his arm - Sick Boy  
with his street-like charm - Sick Boy  
he'll hang out with her all night  
don't ya know? owayo - Sick Boy  
naa naa naa naa - Sick Boy  
owayo - Sick Boy  
naa naa naa naa - Sick Boy  
owayo - Sick Boy  
such a sick boy  
we're all sick boys  
i'm a sick boy  
naa naa naa naa naa naa
