Sick Boy in his faded blue jeans - Sick Boy
black leather jacket seen - Sick Boy
always in trouble with the law

he carries a switchblade knife - Sick Boy
likes to get into fights - Sick Boy
he'll go drinkin' with the boys
all night long. owayo - Sick Boy
naa naa naa naa - Sick Boy
owayo - Sick Boy
naa naa naa naa - Sick Boy
owayo - Sick Boy
he rides a big motor bike - Sick Boy
he combs his hair up just right - Sick Boy
with tatoos up and down his arms
don't ya know? owayo - Sick Boy
he's got a girl wrapped around his arm - Sick Boy
with his street-like charm - Sick Boy
he'll hang out with her all night
don't ya know? owayo - Sick Boy
