

2am (feat. Carla Monroe)

[MK](#)

2 a.m and I'm here calling you Pushing and pulling Can't get it right
It's all we ever do lately
Telling the truth
And telling me lies
Say it straight would you baby? 'Cause I need you
Come over
2 a.m and I'm here calling you
Come over
You already know that I need you
Come over
2 a.m and I'm here calling you (2 a.m and I'm here calling you)
Is love enough
Is love enough
Is love enough
Is love enough 'Cause I need you
Come over
2 a.m and I'm here calling you
Come over
You already know that I need you
Come over
2 a.m and I'm here calling you
Calling you Pushing and pulling
Can't get it right
It's all we ever do lately
I said it once
And I said it twice
But you still driving me crazy
'Cause I need you
Come over
2 a.m and I'm here calling you
Come over
You already know that I need you
Come over
2 a.m and I'm here calling you (2 a.m and I'm here calling you) Is love enough
Is love enough
Is love enough
Is love enough 'Cause I need you
Come over
2 a.m and I'm here calling you
Come over
You already know that I need you
Come over

2 a.m and I'm here calling you
Calling you'Cause I need you
Come over
2 a.m and I'm here calling you
Come over
You already know that I need you
Come over
2 a.m and I'm here calling you
(Calling you)
