

# I'm In the Mood for Love

## Jools Holland & His Rhythm & Blues Orchestra

Simply because you're near me  
Funny, but when you're near me Heaven is in your eyes  
Bright as the stars we're under  
Oh, is it any wonder? Why stop to think of whether  
This little dream might fade?  
We've put our hearts together  
Now we are one, I'm not afraid  
If there's a cloud above  
If it should rain, we'll let it  
But for tonight forget it Love, love, love, love, love  
Love, love, love, love, love Oh, I'm in the mood for love Why stop to think of whether  
This little dream might fade?  
We've put our hearts together  
Now we are one, I'm not afraid I'm in the mood for Your love  
Simply because you're near me  
Funny, but when you're near me Love, love, love, love, love  
Oh, You know,  
Simply because you're near me  
Funny, but when you're near me Oh, I'm in the mood for love
