

Hold On

Wilson Phillips

I know this pain (I know this pain)
Why do you lock yourself up in these chains? (these chains)
No one can change your life except for you
Don't ever let anyone step all over you
Just open your heart and your mind (mmm)
Is it really fair to feel, this way inside? (woah)Some day somebody's gonna make you want to
turn around and say goodbye
Until then, baby, are you going to let 'em hold you down and make you cry?
Don't you know?
Don't you know, things can change
Things'll go your way
If you hold... on for one more day
Can you hold... on for one more day?
Things'll go your way...
Hold on for one more day
You could sustain (you could sustain)
Or are you comfortable with the pain?
You've got no one to blame for your unhappiness (no, baby)
You got yourself into your own mess (oooh...)
Lettin' your worries pass you by (lettin' your worries pass you by)
Baby, don't you think it's worth your time
To change your mind? (no, no)Some day somebody's gonna make you want to turn around and
say goodbye
Until then, baby, are you going to let 'em hold you down and make you cry?
Don't you know?
Don't you know, things can change
Things'll go your way
If you hold... on for one more day
Can you hold... on for one more day?
Things'll go your way (oh, things'll go your way)
Hold on for one more day
I know that there is pain, but you
Hold on for one more day, and ya
Break free from the chains...
Yeah I know that there is pain, but you
Hold for one more day, and ya
Break free, break from the chainsSome day somebody's gonna make you want to turn around
and say goodbye (and say goodbye)
Until then, baby, are you going to let 'em hold you down and make you cry?
Don't you know?
Don't you know, things can change (know)
Things'll go your way

If you hold... on for one more day, yeah
Can you hold... on...Don't you know, things could change
Things could go your way
If you hold... on for one more day
Can you hold... on
Can you hold onMmm, can you hold on, babyWon't you tell me now
Hold on for one more day, cause
It's gonna go your wayDon't you know, things could change
Things could go your way
If you hold on for one more day, yeahCan't you change it this time
Make up your mind
Hold on, hold on
Baby hold on
