

Lifestyle (feat. Husky)

NEIKED

Why you even bother?
Why actin' like I'm wanted
You know me I'm a firestarter
Cause I tend to ignite and it might
Burn I don't even bother (yeah)
I just do it how I wanna
I know me
I'm bound to break a promise
No offense, don't make sense
That's who I am
How come you still think
It's just a phase
Don't know why
Can't you see I'm
Hopelessness embraced
I'm doin' okay Keep messing up my lifestyle
Never make it on time
Realize in hindsight
Cause I'm a fool Smilin' upside down now
Cause I ruined date night
Tryna make a joke 'bout
How I'm a fool I'm not in a mood
Not being rude
I'm just a tool
Missing a screw
Keep messing up
My lifestyle
Messing up a lifetime
Messing up til' I die
Cause I'm a fool I don't know where
It started, no
I've always made it harder
For myself
That's kind of how I want it
I get lost in my thoughts
And I like it there When you get all frustrated
I'm laughing, I'm laughing,
I'm laughing it out
Being bummed is overrated
You should eat what I serve
Think it over How come you still think
It's just a phase

Don't know why
Can't you see
I'm hopelessness embraced
I'm doin' okay Keep messing up my lifestyle
Never make it on time
Realize in hindsight
Cause I'm a fool Smilin' upside down now
Cause I ruined date night
Tryna make a joke 'bout
How I'm a fool I'm not in a mood
Not being rude
I'm just a tool
Missing a screw Keep messing up
My lifestyle
Messing up a lifetime
Messing up til' I die
Cause I'm a fool When you get all frustrated
I'm laughing it out
My wits are dislocated
I'm rolling without Say I'm sorry, I'm sorry
But you should know
I'm not really, I'm happy,
You should know by now
That I'm just a hopeless case I
Hope it's okay Keep messing up
My lifestyle
Never make it on time
Realize in hindsight
Cause I'm a fool Smilin' upside down now
Cause I ruined date night
Tryna make a joke 'bout
How I'm a fool I'm not in a mood
Not being rude
I'm just a tool
Missing a screw
Keep messing up
My lifestyle
Messing up a lifetime
Messing up til' I die
Cause I'm a fool Keep messing my
Messing my
Keep messing up
My lifestyle
Cause I'm a fool
