Wishing On a Star

Seal

I'm wishing on a star
To follow where you are
I'm wishing on a dream
To follow what it meansI'm wishing on a star
To follow where you are
I'm wishing on a dream

To follow what it means And I'm wishing on the rainbows that I've seen

I'm wishing on the people who really dream

And I'm wishing on tomorrow, praying it'll comes

And I'm wishing on all the loving we've ever doneNo, I never thought I'd see

A time when you would be So far away from home So far away from me

Just think of all the moments that we'd spent I just can't let you go, for me you were meant

And I didn't mean to hurt you, but I know

That in the game of love you reap what you sowI feel it's time we should make up, baby

I feel it's time for us to get back together

And make the best of things, oh baby

When we're together, whether or neverI feel it's time we should make up, baby

I feel it's time for us to get back together

And make the best of things, oh baby

When we're together, whether or never, ohI'm wishing on a star

To follow where you are I'm wishing on a dream To follow what it means

And I'm wishing on the rainbows that I've seen
I'm wishing on the people who've ever been
And I'm hoping on all the days to come and days to go

I'm hoping on days of loving you soI'm wishing on a star

To follow where you are

I'm wishing on a star, oh, oh

And I'm wishing on all the rainbows that I seeI'm wishing on a star

To follow where you are

I'm wishing on a dream, baby

And I'm following all the rainbows that I see
