

# A Real Love Survives (feat. Ms. Dynamite)

## No Doubt

Our love is rock steady  
Rock steady, rock steady  
Our love is rock steady Love is like a punishment  
Homegirl here to represent  
So innocently you seem to come my way  
While Tinkerbell and Cupid play  
They sit there and laugh  
I sit here and I can't believe my eyes  
You found me at last  
But we're too human to see the way we'll agonize A real love survives a rock steady vibe  
A real love survives a rock steady vibe  
Rock steady, rock steady  
Our love is so rock steady  
Rock steady  
Steady now, stop rocking it  
It's a delicate environment  
Retire but sleeping is a Shanti love  
Be careful now don't wake it up It's never gonna last  
It's never gonna make it back alive  
So now can we relax  
I really hope that we will actually survive A real love survives a rock steady vibe  
A real love survives a rock steady vibe It's never gonna last  
It's never gonna make it back alive  
So now can we relax  
I really hope that we will actually survive  
A real love survives a rock steady vibe  
A real love survives a rock steady vibe Rock steady  
Our love is so rock steady  
Rock steady, rock steady
