

# Love Somebody

## Maroon 5

I know your inside, you're feeling so hollow  
And it's a hard pill for you to swallow  
But if I fall for you  
I'll never recover  
If I fall for you  
I'll never be the same  
I really want love somebody  
I really want dance the night away  
I know we're only half way there  
But you take me all the way  
You take me all the way  
I really want touch somebody  
I think about you every single day  
I know we're only half way there  
But you take me all the way  
You take me all the way  
You're such a hard act for me to follow  
Love me today don't leave me tomorrow  
Yeah  
But if I fall for you  
I'll never recover  
If I fall for you  
I'll never be the same  
I really want love somebody  
I really want dance the night away  
I know we're only half way there  
But you take me all the way  
You take me all the way  
I really want touch somebody  
I think about you every single day  
I know we're only half way there  
But you take me all the way  
You take me all the way  
Oh, oh, oh, oh  
I don't know where to start  
I'm just a little lost  
I wanna feel like we never gone  
Ever stop  
I don't what to do  
I'm right in front of you  
Asking you to stay  
You should stay  
Stay with me tonight  
Yeah  
I really want love somebody  
I really want dance the night away  
I know we're only half way there

But you take me all the way  
You take me all the way  
I really want touch somebody  
I think about you every single day  
I know we're only half way there  
But you take me all the way  
You take me all the way  
Oh, oh, oh, oh  
You take me all the way  
You take me all the way
