

# Poppin' Champagne

## All Time Low

You've got me poppin' champagne  
I'm at it again  
Caught up in the moment  
But not in the right way  
I'm falling in between  
Tearing up at the seams  
We're just aiming to please  
& aesthetics don't hurt one bit So follow me down  
Take this all the way  
Any way you want to  
Why don't you say so?  
I think I'm caught in between  
The nights & days fly by when I'm lost on the streets  
& my eyes, they despise you for who I am  
Why don't you say so?  
Why don't you say so?  
You've got me thinking that Lately I've been wishin  
The television set  
Would show me more  
Than just a picture of  
The things I've grown to detest  
I strip down my dignity  
They can take all of me But they won't ever take what I still believe  
So follow me down  
Take this all the way  
Any way you want to  
Why don't you say so?  
I think I'm caught in between  
The nights & days fly by when I'm lost on the streets  
& my eyes, they despise you for who I am  
Why don't you say so?  
Why don't you say so?  
Give up, & let go  
I'm just a boy with a dream  
& you can take one look as I fall in between  
With my eyes just as wide as my mouth can be  
Why don't you say so?  
Why don't you say so?  
I know, I know, I know that there's a place for me somewhere Out there  
I know, I know, I know that there's a place for me somewhere  
Out there  
Why don't you say so? I think I'm caught in between

The nights & days fly by when I'm lost on the streets  
My eyes, they despise you for who I am  
Why don't you say so?  
Why don't you say so?  
Give up, & let go  
I'm just a boy with a dream  
& you can take one look as I fall in between  
With my eyes just as wide as my mouth can be  
Why don't you say so?  
Why don't you say so?
