

In Us I Believe (feat. ALMA)

Clean Bandit

You know that I loved you
Could you tell how much when I took you back
I kept on thinking of you
And the days, it was a mess, you left a deep impact
The only reason I remain
Is 'cause baby, I see greatness in you
When I'm away, the pain
It's not just me, it's not just you In us I believe
You're my heart and soul, I can't let you go
You mean too much to me
This fire inside, set it alight
No way, no
We've been through too much to just throw it all away
So, in us I believe, I believe, yeah yeah
And a few broken dishes
I'm home alone, when you're on the town
I get a little malicious
You say you'll be there but you're not around
And the reason that I stay, is 'cause baby I see something in you
But get it in your brain
It's not just me, it's not just you In us I believe
You're my heart and soul, I can't let you go
You mean too much to me
This fire inside, set it alight
No way, no
We've been through too much to just throw it all away
So, in us I believe, I believe, yeah yeah
Oh, I believe, yeah, yeah
You're my heart and soul, I can't let you go
I believe, yeah, yeah
I believe
Can't let you go, yeah, yeah
I believe
Oh, yeah, yeah In us I believe
You're my heart and soul, I can't let you go
You mean too much to me
This fire inside, set it alight
No way, no
We've been through too much to just throw it all away
So, in us I believe, I believe
