

# Nightmare

## Avenged Sevenfold

Nightmare!(Now your nightmare comes to life)Dragged ya down below  
Down to the devil's show  
To be his guest forever  
(Peace of mind is less than never)Hate to twist your mind  
But God ain't on your side  
An old acquaintance severed  
(Burn the world your last endeavour)Flesh is burning, you can smell it in the air  
'Cause men like you have such an easy soul to steal (steal)So stand in line while they ink  
numbers in your head  
You're now a slave until the end of time  
And nothing stops the madness turning  
Haunting, yearning, pull the trigger  
You should have known the price of evil  
And it hurts to know that you belong here, yeah  
Ooh, it's your fucking nightmare!  
(While your nightmare comes to life)Can't wake up in sweat  
'Cause it ain't over yet  
Still dancing with your demons  
(Victim of your own creation)Beyond the will to fight  
Where all that's wrong is right  
Where hate don't need a reason  
(Loathing self-assassination)You've been lied to just to rape you of your site  
And now they have the nerve to tell you how to feel  
So sedated as they medicate your brain  
And while you slowly go insane they tell you  
"Given with the best intentions  
Help you with your complications"  
You should have known the price of evil  
And it hurts to know that you belong here, yeah  
No one to call  
Everybody to fear  
Your tragic fate is looking so clear, yeah  
Ooh, it's your fucking nightmare  
Ha, ha, ha, haFight (fight)  
Not to fail (fail)  
Not to fall (fall)  
Or you'll end up like the othersDie (die)  
Die again (die)  
Drenched in sin (sin)  
With no respect for another  
OhDown (down)  
Feel the fire (fire)

Feel the hate (hate)  
Your pain is what we desire  
Lost (lost)  
Hit the wall (wall)  
Watch you crawl (crawl)  
Such a replaceable liar  
And I know you hear their voices  
(Calling from above)  
And I know they may seem real  
(These signals of love)  
But our life's made up from choices  
(Some without appeal)  
They took for granted your soul  
And it's ours now to steal  
(As your nightmare comes to life)  
You should have known the price of evil  
And it hurts to know that you belong here, yeah  
No one to call, everybody to fear  
Your tragic fate is looking so clear, yeah  
Ooh, it's your fucking nightmare!
