

# Cough Syrup

## Young the Giant

Life's too short to even care at all, oh  
I'm losing my mind losing my mind losing control, oh oh  
These fishes in the sea they're staring at me oh oh  
Oh oh oh oh  
A wet world aches for a beat of a drum  
Oh If I could find a way to see this straight  
I'd run away  
To some fortune that I, I should have found by now  
I'm waiting for this cough syrup to come down, come down. Life's too short to even care at all,  
oh, oh  
I'm coming up now, coming up now out of the blue, oh, oh, oh, oh, oh  
These zombies in the park they're looking for my heart, oh, oh, oh, oh, oh, oh  
A dark world aches for a splash of the sun, oh, oh If I could find a way to see this straight  
I'd run away  
To some fortune that I, I should have found by now And so I run now to the things they said  
could restore me  
Restore life the way it should be  
I'm waiting for this cough syrup to come down Life's too short to even care at all, oh, oh  
I'm losing my mind losing my mind losing control If I could find a way to see this straight  
I'd run away  
To some fortune that I, I should have found by now  
So I run now to the things they said could restore me  
Restore life the way it should be  
I'm waiting for this cough syrup to come down One more spoon of cough syrup now, whoa.  
One more spoon of cough syrup now, whoa.
