

# Children

## EMF

Children, I know  
You deserve, more than this world could ever give  
Children, I know  
You deserve, more than this world could ever give Hold on, take your life  
Hold on to each reality  
They seem so far from you  
But really they're close to you You've got to break each precious dream  
Until it breaks you heart in two  
Build your life until you find  
What's right for you  
Children, I know  
You deserve, more than this world could ever give Don't let them take it all  
'Cause you know they want to take it all  
They seem so far from you  
But really they're close to you You've got to break each precious dream  
Until it breaks your heart in two  
Build your life, until you find  
What's right for you Children, I know  
You deserve more than this world could ever give  
Children, I know  
You deserve, more than this world could ever give Long live the new flesh  
Long live the new flesh  
Long live the new flesh  
Don't let them take it all  
'Cause you know they want to take it all  
They seem so far from you  
But really they're close to you You've got to break each precious dream  
Until it breaks your heart in two  
Build your life, until you find  
What's right for you Long live the new flesh Children, I know  
You deserve more than this world could ever give  
Children, I know  
You deserve, more than this world could ever give Children, I know  
Children, I know  
Children, I know  
You deserve more than this world could ever give
