

# Mr. Pink Eyes

## The Cure

you look so cool  
oh i don't think!  
just fall over  
be like me  
mr. pink eyes your mind is blank  
and mine's away  
oh you can't see  
you can't smell  
mr. pink eyes it's got to be jazz!  
that's what she wants  
you are so vile  
mr. pink eyes  
oh give me a look  
give me a look  
or sit on my head  
or jump on my foot  
do something!
