

For Once In My Life

Frank Sinatra, Gladys Knight & Stevie Wonder

For once in my life
I have someone who needs me
someone I've needed so long For once I'm afraid I can go where life leads me
and somehow know I'll be strong For once I can touch what my heart used to dream of
long before I knew, someone warm like you
would make my dreams come true For once in my life I won't let sorrow hurt me
not like it's hurt me before For once I have something I know won't desert me
and I'm not alone anymore For once I can say; this is mine you won't take it
Long as I know I have love I can make it
For once my life I have someone who needs me- Instrumental break -
For once I can say; this is mine you can't take it
Long as I know I got love I can make it
For once in my life I've got someone
Yeah, for once in my life I found someone
For once in my life, I've got someone
who needs me
