Take heed that no man should deceive you
For many shall come and try to lead you
You'll hear of wars and rumours will set
Yet be not troubled it's not the time yet

The beginning of the beginning of
The beginning of sorrows
For nations rising against nations
Kingdoms fighting against kingdoms

Yet be not troubled it's not the end yet
It is written now it is written now
It's the beginning of sorrows Fear not my brethren and my sistren
Jah light soon come fear not my brethren
I have great news, Jah manifestation
