Knights of Cydonia

Muse

Come ride with me Through the veins of history I'll show you how God Falls asleep on the jobAnd how can we win When fools can be kings? Don't waste your time Or time will waste youNo one's gonna take me alive Time has come to make things right You and I must fight for our rights You and I must fight to surviveNo one's gonna take me alive Time has come to make things right You and I must fight for our rights You and I must fight to survive No one's gonna take me alive Time has come to make things right You and I must fight for our rights You and I must fight to survive Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
