

If You Asked Me to

Patti LaBelle

Used to be that I believed in something
Used to be that I believe in love
It's been a long time since I've had that feeling
I could love someone
I could trust someone
I said I'd never let nobody near my heart again, darlin'
I said I'd never let nobody in But if you asked me to
I just might change my mind
And let you in my life forever
If you asked me to
I just might give my heart
And stay here in your arms forever
If you asked me to
If you asked me to
Somehow ever since I've been around you
Can't go back to being on my own
Can't help feeling, darlin', since I've found you
That I've found my home
That I'm finally home
I said I'd never let nobody get too close to me, darlin'
I said I needed, needed to be free But if you asked me to
I just might change my mind
And let you in my life forever
If you asked me to
I just might give my heart
And stay here in your arms forever
If you...
Ask me to and I will give my world to you baby
I need you now
Ask me to and I'll do anything for you baby
For you baby If you asked me to
I'd let you in my life forever
All you gotta do is ask me to...
