

# Electricity (feat. Diplo & Mark Ronson)

## Silk City, Dua Lipa

[Verse 1: Dua Lipa]

Falling into you, baby

Even electricity can't compare to what I feel when I'm with you

Ooh, baby

Giving up my ghost for you

And now I'm see through [Pre-Chorus: Dua Lipa]

You give me a feeling, feeling so strong

I know you've been treating, treating yourself wrong

So let me care for you

Ooh, baby

I'ma love you differently

I'll give you electricity

Give it to you

[Chorus: Dua Lipa]

And even if I could

I wouldn't turn on you

And I would stop the world for you

You know I wanna let you know, I'll never let this feeling go

This love has no ceiling, I cannot deny

Even if I could

I wouldn't turn on you

And I would stop the world for you and I

I wanna let you know, I'll never let this feeling go

This love has no ceiling, I cannot deny [Verse 2: Dua Lipa]

All I see is you, lately

Wide awake in and in my dreams

I see your face so vividly

I don't know what I do

Ooh, baby

If you only saw a friend in me

I'd be bittersweet

[Pre-Chorus: Dua Lipa]

You give me a feeling, feeling so strong

I know you've been treating, treating yourself wrong

So let me care for you

Ooh, baby

I'ma love you differently

I'll give you electricity

Give it to you [Chorus: Dua Lipa]

And even if I could

I wouldn't turn on you

And I would stop the world for you

You know I wanna let you know, I'll never let this feeling go  
This love has no ceiling, I cannot deny  
Even if I could  
I wouldn't turn on you  
And I would stop the world for you and I  
I wanna let you know, I'll never let this feeling go  
This love has no ceiling, I cannot deny[Bridge: Dua Lipa]  
I feel electric, baby  
So electric, baby  
Wanna let you know, let you know, ooh  
I think I'm ready, baby  
I think I'm ready, now  
Electricity, I'm falling in to you  
I feel electric, baby (I want it, I need it)  
So electric, baby (this current between us)  
Wanna let you know, let you know (this flow, this feeling)  
I think I'm ready, baby (I want it, I need it)  
I think I'm ready, now (this current between us)  
Electricity, I'm falling in to you (this flow, this feeling)[Chorus: Dua Lipa]  
And even if I could  
I wouldn't turn on you  
And I would stop the world for you  
You know I wanna let you know, I'll never let this feeling go  
This love has no ceiling, I cannot deny  
Even if I could  
I wouldn't turn on you  
And I would stop the world for you and I  
I wanna let you know, I'll never let this feeling go  
This love has no ceiling, I cannot deny[Outro: Dua Lipa]  
I feel electric, baby  
So electric, baby  
Wanna let you know, let you know (I want it, I need it)  
I think I'm ready, baby (this current between us)  
I think I'm ready, now (this flow, this feeling)  
Electricity (woohoo)  
I feel electric, baby  
So electric, baby  
Wanna let you know, let you know  
I think I'm ready, baby  
I think I'm ready, now  
Electricity
