Maybe I'm Amazed

Marc Cohn

Baby, I'm amazed At the way you love me all the time Maybe I'm afraid Of the way I love youBaby, I'm amazed At the way you pulled me out of time Hung me out on a line Maybe I'm amazed At the way I really need youBaby, I'm a woman A lonely woman In the middle of something That, that I don't rightly understand Baby, I'm a woman And you're the only man Who could ever help me Daddy, help me understandBaby, I'm amazed At the way you're with me all the time Maybe I'm afraid Of the way I leave youBaby, I'm amazed The way you help me with my song Right me when I'm wrong Maybe I'm amazed Of the way I really need youBaby, I'm a woman A lonely woman In the middle of something That, that I don't rightly understand Baby, I'm a woman And you're the only man Who could ever help me Daddy, help me understandBaby, I'm amazed Baby, I'm amazed Baby, I'm amazed Baby, I'm amazedMaybe, I'm amazed
