

Vanity Kills

ABC

Have you heard the latest (You love you)
Have you seen who just walked in (Vain vain vain vain)
(Uh huh, you love you)
Right over there
(She's so vain vain vain vain)(Vain vain vain vain)I'm glad you've found someone who loves
you
But sad to say that someone is you
And now perhaps you'll both be happy
Guess that makes two, just you and you
Someone who cares so much about you
But does that someone have to be you
(Bom bom bom bom bom bom bom bom, yeah)
(Bom bom bom bom bom bom bom bom, yeah)
Vanity kills, it don't pay bills
Vanity kills, you love you
Vanity kills, it don't pay bills
Vanity kills, it kills(Vain vain vain vain)So glad I found you glancing in the mirror
Gazing deeply at love's patron saint
Admire the frame, survey the scenery
Or are you just inspecting the paint
Temptation's strong modesty's so weak
High on yourself, humble you ain't
(Bom bom bom bom bom bom bom bom, yeah)
(Bom bom bom bom bom bom bom bom, yeah)Vanity kills, it don't pay bills
Vanity kills, you love you
Vanity kills, it don't pay bills
Vanity kills, you love you
Vanity kills, it don't pay bills (No way)
Vanity kills, you love you
Vanity kills, it don't pay bills
Vanity kills, it kills(So vain, vain vain vain)
(You love you) (Yeah)Give it, give it us, give it us
(So vain, so vain, so vain)
(So so vain)
(So vain)Vanity kills, it don't pay bills
Vanity kills, you love you
Vanity kills, it don't pay bills
Vanity kills, you love youVanity kills, it don't pay bills (No way)
Vanity kills, you love you
Vanity kills, if the blast don't get you
Then the fallout will

You love you
